aniketkatoch12@gmail.com

Skills
- **Programming Languages** : Java, C++
- **Libraries and Frameworks** : React, Node.js, MySQL, Spring Boot
- **Tools** : MongoDB, Git, Maven, Junit, Gradle, Hibernate
- **Other Skills** : Data Structures and Algorithms, Microservices

LeetCode : [link]

Projects

Collaborative Document Editing System
- Developed a Collaborative Document Editing System using React.js, Node.js, Express.js and MongoDB.
- Implemented user authentication to manage document ownership and access control, ensuring security.
- Established authorization to regulate user access and permissions for the document editing platform.
- Implemented real-time text editing through WebSocket communication, enabling seamless collaboration.
- Git repo link: https://github.com/aniketkatox/ColabDocs

YouTube Captions Dictionary
- Developed Chrome extension enabling users to click on words in YouTube captions for translation.
- Implemented this using JavaScript and translation APIs for efficient language translation functionality.
- Demonstrates the ability to think and solve problems to make life easier.
- Git repo link: https://github.com/aniketkatox/dictExtension
- Extension link: https://shorturl.at/doqPX

DSA Problems Website
- Developed a website for efficiently tackling more than 500 DSA problems.
- Implemented backend using Spring Boot and frontend using React .
- Implemented and maintained MongoDB databases for efficient data storage and retrieval.
- Optimised the process of getting better in solving DSA problems.
- Git repo link: https://github.com/aniketkatox/DSA-Templates

Online Book Seller
- Developed a Spring Boot application for book management.
- Designed and implemented 10+ RESTful APIs for streamlined handling of CRUD operations.
- Implemented authentication and authorization functionalities for book records.
- Demonstrated ability to deliver robust and innovative solutions to complex problems in software
- development.
- Git repo link: https://github.com/aniketkatox/spring-boot-book-seller

Achievements
- Freecodecamp's Backend Development & APIs Certification
  - https://shorturl.at/hIPT6
- Stackroute's Java Full Stack Certification
  - https://shorturl.at/ktDV2

Education

Scaler
Specialised in Software Development & Problem Solving   *(2023 - 2024)*

Jaypee University of Information Technology
B.Tech in Computer Science : 8 CGPA   *(2018 - 2022)*

Jawahar Navodaya Vidyalaya
12th(PCM) : 83%   *(2016 - 2017)*
